Francis Free Flight Aviary

Check out our interactive gallery, theatre, tours and talks, free flight aviary, whare whakairo (carving studio) and Kākā Café. Seats and picnic areas are available in the Reserve.

The loop track takes two hours, please allow plenty of time to get back before closing time.

Thank you for visiting. Your entry fee contributes directly to conservation at Pūkaha and our captive breeding programmes.

## DAILY TALKS

- 12 noon Kiwi talk in the Kiwi House (hatchery area)
- 1.30 pm Tuna (Longfin Eel) feed & talk at Tuna Feed
- 3.00 pm Kākā feed & talk at Kākā Circus

Check with our Visitor Centre hosts about any special ranger talks and hear the latest news from the ngahere (forest).

Piwakawaka  
Fantail

Tieke  
Saddleback

Tuatara

Wētā

Moko Kākariki  
Green Gecko

## Pūkaha's captive breeding programmes

Pūkaha contributes to captive breeding programmes throughout Aotearoa. Some species like the shore plover (tūturuatu) are critically endangered, and not on public display.

Our kiwi hatching expertise and facilities allow our captive team to hatch and raise young kiwis for release throughout NZ.

## Te Hīkoi o Pūkaha

Our cultural tours are a great way to experience the traditional stories of the Tangata Whenua (people of the land). Advance bookings essential.

## Get involved!

There are lots of ways to support Pūkaha's conservation goals:

- Become a member
- Make a donation
- Sponsor a hectare
- Leave a bequest in your will

For more info visit [pukaha.org.nz](http://pukaha.org.nz)
